In the Matter of:

THE TARIFF FILING OF BELLSOUTH)	
TELECOMMUNICATIONS, INC. TO MIRROR)	CASE NO. 98-065
FCC INTERSTATE ACCESS RATES)	

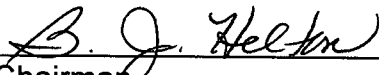

O R D E R

BellSouth Telecommunications, Inc. ("BellSouth") filed a proposed tariff effective August 1, 1998, which mirrored Federal Communications Commission interstate access rates and structure changes. BellSouth proposed that the tariff become effective to comply with its price regulation plan and stated that it would make any adjustments required by the Commission retroactive to August 1, 1998, if the modifications were ordered in a 30-day review period. However, the issues raised by the tariff are to be addressed in this proceeding. The proposed tariff should be effective August 1, 1998 on an interim basis subject to Commission modifications. Any modifications mandated by the Commission in this investigation should be applied to service rendered on and after August 1, 1998.

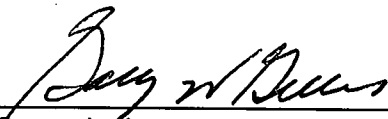

IT IS THEREFORE ORDERED that any modification ordered by the Commission regarding this tariff shall be applied to service rendered on and after August 1, 1998, unless otherwise ordered.

Done at Frankfort, Kentucky, this 10th day of September, 1998.
